Julie Trinh

Full Stack Developer

Buena Park, CA
(626) 278-7815
ijuliie06@gmail.com
https://ijuliie.github.io/personal-portfolio/

Full stack developer who uses patience and attentiveness to provide excellent customer satisfaction. The skills that I have developed while working in hospitality has made me inherit a passion to design appealing and functional applications to help others.

SKILLS:

Front End: HTML, SCSS, Javascript, React
Back End: Git, NodeJS, Mongo, Python, Django, NoSQL, SQL

PROJECTS:

Designed a recipe application using React: https://recipeze.netlify.app/
Created a Diary API using Python and Django: https://github.com/ijuliie/diary

EDUCATION:

Software Engineer Immersive; Feb 2020-May 2020
Three-month, 420-hour full-time and full-stack program conducted in a remote setting, providing experience with the latest front- and back-end programming languages, tools, and methodologies including: HTML, CSS, Javascript, jQuery, React, Node, Python, SQL

WORK EXPERIENCE:

Cashier/barista at Cachi Café; La Palma, CA; May 2018-April 2019
- Customer service
- Cash handling
- 2 raises for good performance

Cashier/prep at Sandwich Society, Santa Ana, CA; August 2016-May 2018
- Customer service
- Cash handling
- 3 raises for good performance
